Media representatives with a media ID badge not seated in the reserved media area may occupy unused assigned public seating or view court proceedings from the overflow courtroom.

3. Use of Laptops in the Courtroom

As long as the use of battery powered laptops is not disruptive to court proceedings, media representatives displaying court authorized ID badges will be allowed to possess laptops in the courthouse and to use such devices in the courtroom during jury selection and during the trial. The use of laptop camera or recording functions is not allowed.

4. Use of Cell Phones and PDAs

Unless otherwise determined by Judge Nottingham, throughout the trial, media representatives displaying court authorized badges will be allowed to maintain possession of cell phones and PDAs. All cell phone and PDA devices must remain silent when in the courtroom (see attached order). Cell phone call functions may be used in the public and common work areas of the courthouse and in the overflow courtroom. Use of camera or recording functions on cell phones and PDAs is not allowed at any time while inside the courthouse.

On entering the courthouse, media representatives must be screened as is required of all public visitors. Representatives must register for a court authorized ID badge using the attached form. Issued media badges will be specific to the coverage of the Nacchio trial. The badges may not be duplicated or shared. At the termination of the trial, media badges must be returned to the clerk's office or a court security officer. **Violations of these protocol**

requirements, orders or directives of the court, or directives of the involved law enforcement officers will result in the revocation of ID badges and media coverage privileges.

6. Availability of Trial Exhibits

Admitted trial exhibits will be available through in-courtroom viewing at the time of presentation by the parties to the court.

7. Availability of Media Workroom

A media workroom will be made available during the trial to those media representatives with court authorized media ID badges. Ms. Duino can be reached at 303-335-2322.

8. Courtroom Access and Exiting

Judge Nottingham has scheduled jury selection to begin at 8:30 a.m. on March 19, 2007. Entry into the courtroom will generally be allowed fifteen to thirty minutes before the start of court. Seating will be allowed on a first come, first served basis. Exiting and entering the courtroom during the trial will be allowed as long as it is not disruptive.

11. Outside Media and Public Areas

To assist with overall security and general public access to the U.S. Arraj Courthouse, the court has designated a special outside area for media use throughout the Nacchio trial. Interviews, still pictures, and film coverage are to be activated and conducted from within this area. (Please see the attached map indicating the area.) Use of all outside federal areas will be coordinated and managed by the Federal Protective Service.

Public gatherings are allowable in the areas of the public sidewalks surrounding the courthouse. At no time should public access to the courthouse be restricted by news media covering events.

When necessary, the designated outside media area may be gated in order to insure that the entire outside area is safe and secure. Those operating from within the area must display at all times a court authorized media representative ID badge.

Needs of the court to conduct the trial in a safe and orderly fashion may result in the modification of the requirements of this media protocol statement. Thank you for your cooperation.
